

WE ARE FAMILY PRESENTS OUR ANNUAL

# Maybe-Baby Workshop

## GROWING FAMILIES UNDER DIVERSITY

Join We Are Family September 25th for our annual Maybe-Baby Workshop. This is an informative and educational event for anyone in the LGBT community that is considering parenting. Whether you are a soon-to-be parent or have already begun the joys of parenthood, please come join us, as this will be an interactive learning environment that everyone will benefit from!

We will discuss the various family creations options, including surrogacy, egg donation, sperm banks, insemination and in-vitro fertilization and egg cryopreservation. You will also learn about foster care and adoption services that are available. Our guest speakers will include Andre Wade from Clark County Department of Family Services and Dr. Littman from Red Rock Fertility, Dr. McConnell from Nevada Fertility Cares, Erica Bowers from Growing Generations and Mindy Berkson from Lotus Blossom Consulting.

The Maybe-Baby Workshop will allow you to interact with the guest speakers, as well as current parents, in order to obtain a better understanding of how to create a family and what resources are available to the LGBT community.
